

FBCWA-WPDC 2022 AGM & CONFERENCE – *Woodlots: Rooted in Learning*
October 14 – 16, 2022, Abbotsford, BC.

After a 2-year hiatus, the Fraser Valley Woodlot Association is proud to host our annual Woodlot Conference! The event will be held at the Clarion Hotel and Conference Centre in Abbotsford, BC on October 14-16, 2022. The Fraser Valley is home to world-class hiking, fishing, food, wineries, breweries, and more! Please come join us and let's have some fun while learning together.

The Conference will kick-off with “**Roots, Boots and Offshoots**”, a Friday-night social combined with a moderated *hot-stove* discussion. In a casual setting, Woodlot licensees will have the opportunity to note what is working, and what could be improved to help them with their woodlot licence management. **Send in your own topics or suggestions for a productive and fun night!** Email to cjmclary401@gmail.com.

On Saturday, you will be treated to presentations and interactive panel discussions on First Nation Engagement and Forestry Learning & Education in our province, followed by the always-fun banquet and Silent Auction evening. Proceeds from the Silent Auction go to the FBCWA Scholarship fund.

On Sunday, we will take you outside of the Conference Centre, where you will have opportunities to tour the BCIT Woodlot or be guided through the rich Aboriginal history of the eastern Fraser Valley. Partners and spouses are welcome on either tour. Bring your boots!

Early Bird registrants will automatically be entered into a **Sturgeon Fishing draw** (1 entry per registrant) presented by Rick Biller. Conference and accommodation booking opportunities will be sent out soon.

Please contact Cathy McClary at 250-961-0271 or email cjmclary401@gmail.com for any Woodlot Conference and registration questions.

We'll see you there!

Sponsorship

The Fraser Valley Woodlot Association welcomes sponsors! Funds raised through sponsorship will recognize you as a supporter of the woodlot program and showcase small-scale forestry operations in the Fraser Valley. Sponsorship will provide opportunities to attract special guests and keynote speakers who support forestry education in local communities. Check back for the sponsorship package.
